

Directions to Crystal Cove State Park's Historic District

Address for Navigation: Los Trancos, Newport Coast, CA 92657

- 1) Take Coast Highway (CA-1) to Crystal Cove State Park's **Los Trancos Entrance**
- 2) At the Los Trancos/Crystal Cove traffic signal, turn inland into the Los Trancos parking lot. At the State Park kiosk, you will need to take a ticket to enter the parking lot. We will provide you with a parking voucher before you leave.
- 3) To get to the **Historic District**, follow the trail located on the south side of the parking lot down to the beach. It is about a 15 minute walk. You can also ride the Beachcomber shuttle (costs \$1.50), which picks up Park visitors at the picnic table near the large State Park portable. The shuttle runs between the Los Trancos Parking Lot and the Historic District every 15 minutes.

- 4) Once you get to the Historic District, follow the trail just past the bright yellow Visitor Center, which will be on your left. After the Visitor Center, the trail splits. Turn left and cross the wide vehicle bridge.
- 5) Continue to follow the trail as it veers back toward the beach, and then turn left and follow it all the way down the row of beachfront cottages. The **Park & Marine Research Facility (Cottage #22)** is the second-to-last cottage at the end of the row — it is bright red. When you reach Cottage #22, go up the stairs to the meeting room!
