

Additional Resources shared by Native Nations in California Attendees

- Building Authentic Collaborations with Tribal Communities, A Living Reference for Climate Practitioners
 - <https://www.climatesciencealliance.org/info/meaningful-engagement>
- Condor reintroduction project:
 - <https://www.yuroktribe.org/yurok-condor-restoration-program>
- Legislation AB-2225: Traditional Ecological Knowledge to address resource conservation
 - https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=202120220AB2225
- Illuminatives: The Future is Indigenous
 - <https://illuminatives.org/>
 - Indigenous youth have come together to create Native Now - which created resources to educate non-Natives and support Indigenous Peoples' Day. Complete with lesson plans for teachers, social media graphics, a coloring book, and with a Do's and Do Not Factsheet, Native Now is providing resources to fuel a movement.
