

MARINE MAMMALS NEED YOU!

The Marine
Mammal Center®

**Volunteer with The Marine Mammal Center
and help protect seals, sea lions and more.**

Did you know???

In 2022, our Monterey Bay Operations rehabilitated and released 281 animals back to their natural habitats from Monterey and Santa Cruz Counties.

Responsibilities include:

- Rescuing and transporting injured and sick marine mammals
- Preparing food and feeding patients
- Cleaning pens and equipment
- Providing public outreach and education programs
- Assisting with patient releases
- Minimum of six months weekly commitment
